Term 3 - 2025

Profile information current as at 05/09/2024 01:33 pm

General Information

Overview

This unit introduces you to the role of accounting in business and to key financial and management accounting concepts. You will be given a different listed company and are introduced to the actual financial statements of your firm, completing simple analyses of your firm's financial statements using Excel. You will also be supported to develop your skills to learn more effectively and to communicate and collaborate online.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Internal staff discussions

Feedback
Formal Student Consultation times may assist some students to better communicate with the Unit Coordinator, particularly those with personal or other issues they may wish to discuss with the Unit Coordinator on a one-to-one basis.

Recommendation
To further assist students to interact well with the Unit Coordinator, online Student Consultation times will be provided. This will be particularly designed to assist students with personal or other issues with an easy way to communicate with the Unit Coordinator on a one-to-one basis.

Feedback from Student comments with the Unit Coordinator

Feedback
An early evening time for the online tutorial may assist students with a range of outside obligations to be able to attend class.

Recommendation
To assist students with a range of outside obligations to be able to attend class, an early evening time for the online tutorial will be trialed to gauge the level of interest for a class at this time.
