## General Information

### Overview

This unit aims to develop an understanding of the underlying concepts of corporate governance, ethics and organisational citizenship which are relevant to the contemporary business environment. To do this, the unit will focus on values, philosophies, theories and models of corporate governance and ethical practice. By using a combination of case study analysis and role-play, you will develop an awareness of the role that ethical issues play in business governance and management, and develop an ability to critically analyse ethical issues that arise in business life.

### Assessment Overview

#### Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.
