BLAR12053 Professional Practice

Term 1 - 2025

Profile information current as at 22/11/2024 10:54 pm

All details in this unit profile for BLAR12053 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit introduces you to the roles and responsibilities of being a professional practitioner in the building and construction sector through consideration of professional ethics; personal actions and liabilities; and stakeholder collaboration and involvement. In this unit you will also gain an understanding and be taught the application of organisational psychology - theory and practice; project management and control; financial management; construction business planning; trust and general accounts; contemporary office management practices; establishing quality management systems and identifying opportunities to implement social innovation practice.

Details

Career Level: *Undergraduate*

Unit Level: *Level 2*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

BLAR11049 Built Environment Communication and Skills Or COMM11003 Professional and Technical Communication (before 2012 term 1)

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2025

- Online

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.

This information will be available on Monday 13 January 2025

- Student Feedback – Compliments and Complaints Policy and Procedure
- Information and Communications Technology Acceptable Use Policy and Procedure

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student

Feedback

The unit would benefit from a dedicated textbook.

Recommendation

No textbook currently covers the unit's broad knowledge area adequately. The Unit study guide will continue to provide a comprehensive and tailored learning resource complemented by additional material on the Moodle site.

Feedback from Lecturer

Feedback

Students do not attend the live tutorials or watch the recordings..

Recommendation

Students will continue to be encouraged to attend the tutorials to better understand the unit and the assessments.

Feedback from Student

Feedback

MS Teams was very helpful and the lecturer provided prompt support in the evenings after I returned from work.

Recommendation

MS Teams will continue to be used and encouraged as it also allows students to discuss the unit between themselves, increasing engagement and cooperation.

Feedback from Lecturer

Feedback

The unit needs to be more aligned with students' employment situations to improve its relevance.

Recommendation

This feedback is valuable and will inform the next unit update to incorporate more employment situations in the learning examples and tutorial discussions.

Unit Learning Outcomes

Information for Unit Learning Outcomes has not been released yet.

This information will be available on Monday 13 January 2025

Alignment of Learning Outcomes, Assessment and Graduate Attributes

Information for Alignment of Learning Outcomes, Assessment and Graduate Attributes has not been released yet.

This information will be available on Monday 13 January 2025
