BLAR12053 *Professional Practice*

Term 1 - 2027

Profile information current as at 14/09/2026 02:17 pm

All details in this unit profile for BLAR12053 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit introduces you to the roles and responsibilities of being a professional practitioner in the building and construction sector through consideration of professional ethics; personal actions and liabilities; and stakeholder collaboration and involvement. In this unit you will also gain an understanding and learn the application of organisational psychology - theory and practice; project management and control; financial, time, and quality management; construction business planning; trust and general accounts; contemporary office management practices; legal, regulatory, and control measures; and identifying opportunities to implement social innovation practice.

Details

Career Level: *Undergraduate*

Unit Level: *Level 2*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

BLAR11049 Built Environment Communication and Skills Or COMM11003 Professional and Technical Communication (before 2012 term 1)

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2027

- Online

Attendance Requirements

All on-campus students are expected to attend scheduled classes - in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Staff Feedback

Feedback

Lecture slides were good but could use more real-world examples.

Recommendation

Future offerings will include more industry-focused examples to enhance relevance and application.

Feedback from Staff Feedback

Feedback

The assessments are designed in a way that support career planning and professional growth for students.

Recommendation

Assessment design should continue to support career planning and professional growth to further develop critical reflection on career pathways.

Feedback from Staff Feedback

Feedback

The unit contain a large volume of reading material, which provides a valuable source of resources that supported learning and also strengthened knowledge useful for future careers.

Recommendation

The wide range of readings should be maintained and updated accordingly for their academic and professional value.
