BLAR12056 *Construction Legislation 2*

Term 3 - 2027

Profile information current as at 17/09/2026 04:18 am

All details in this unit profile for BLAR12056 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit will give you the opportunity to examine and apply the National Construction Code (NCC) and associated legislation to Building Class 2 to 9 projects. You will learn about statutory controls and assessment; enforcement proceedings; how Australian Standards, government Acts and other industry codes interact with the NCC; and the application of the principles of performance-based legislation. You should have completed an introductory construction legislation unit to ensure adequate level of entry knowledge. Students who have successfully completed BLSV13021 should not enrol in this unit.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student Feedback

Feedback

Some assignment questions may be interpreted in multiple ways, which can lead to minor confusion despite supporting critical thinking.

Recommendation

Provide additional clarification for assessment tasks, such as brief explanatory notes or examples, to guide interpretation while maintaining the open-ended nature of the questions.

Feedback from Student Feedback

Feedback

Students value the detailed and in-depth feedback provided, which offers clear guidance for improvement.

Recommendation

Continue the current approach to providing comprehensive and constructive feedback, as it effectively supports student learning and progression.

Feedback from Student Feedback

Feedback

Students would benefit from more real-life applications and clearer explanations of NCC provisions to support interpretation and understanding.

Recommendation

Increase the use of real-world examples and expand explanatory content in study guides to strengthen students' ability to interpret and apply NCC provisions effectively.

Feedback from Staff Feedback

Feedback

The unit content requires updating to reflect the latest edition of the National Construction Code.

Recommendation

Unit materials should be updated to incorporate NCC 2025 to ensure content remains current, accurate, and aligned with contemporary industry standards.
