Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Communication with students.

Feedback

The feedback was constructive and returned promptly. It was helpful for learning.

Recommendation

All the assessment items will be marked promptly with constructive feedback.

Feedback from Unit evaluation

Feedback

Students found embedding Revit in the learning effective and suggested spending more time learning it and using it in the assessment tasks.

Recommendation

The due date of Assessment 1 will be adjusted, allowing students sufficient time to prepare for this assessment using Revit.
