BLCN12035 *Construction Management*

Term 3 - 2027

Profile information current as at 18/09/2026 07:02 am

All details in this unit profile for BLCN12035 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit will provide you with an understanding of the: characteristics of the construction industry with emphasis on the demand for industry services; response by the construction industry organisations to that demand; contractual links between industry participants to provide the services; management activities required for the delivery of construction projects from inception to completion; and the views of informed opinion on some future directions for the industry.

Details

Career Level: *Undergraduate*

Unit Level: *Level 2*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 3 - 2027

- Online

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.
This information will be available on Monday 13 September 2027

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit discussion forum

Feedback

Proactive and supportive in helping students to overcome challenges related to updated learning materials and assessments.

Recommendation

Continuous efforts may assure a more student-focused learning environment, and effective presentations and support contribute greatly to student engagement and academic success.

Feedback from Unit discussion forum

Feedback

The lecturer provided clear explanations and consistent support throughout the semester, which significantly enhanced my learning experience. His accessible teaching approach and responsiveness to student needs had a positive impact on my understanding of the module content.

Recommendation

An experienced industrial lecturer ensures that timely feedback on assignments is given quickly and helps students improve.
