Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student

Feedback

The subject matter and resources needed to be reevaluated into a more cohesive package; nonetheless, it was a good learning experience.

Recommendation

Improvements shall be made to the technical learning material and assessment tasks to ensure that learning content is current, relates to learning outcomes and aligns with the provided assessment tasks.

Feedback from Lecturer

Feedback

The assessment tasks were difficult for students to understand and respond to.

Recommendation

Future assessment tasks shall be written in an appropriately structured and clear manner that enables students to easily understand the intent and expectations of the specific tasks. Alignment with the learning outcomes and providing clear marking rubrics shall also form part of these assessment tasks.
