Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit Coordinator self-reflection, SUTE rating, and students' informal feedback.

Feedback

The adopted weekly 'booklet of materials' model of delivering materials worked well.

Recommendation

Continue with this method of delivering learning materials.

Feedback from SUTE Unit Comments Report

Feedback

Additional research project options suitable for different disciplines may help students engage with research better.

Recommendation

Consider adding additional projects to the list of options available for students and encourage students to consult with active researchers in their disciplines to explore further project possibilities.
