Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Students feedback (SUTE and Verbal)

Feedback

Students appreciated the timely feedback they received to improve their projects.

Recommendation

Continue to provide applicable and timely feedback.

Feedback from SUTE data and verbal feedback

Feedback

Some students insisted on completing their preferred hands-on projects without understanding the time commitment they required.

Recommendation

Explain the requirements of different types of hands-on projects more clearly at the start of the term, so that students have a better understanding of the time commitment required within the context of a teaching term. Explore the potential for additional ready-to-engage projects for students who wish to collect and use real data.

Feedback from UC self-reflection

Feedback

Review assessment tasks for AI risk.

Recommendation

Review and revise assessment tasks to improve AI compatibility and provide more authentic tasks that assess students' application of knowledge.
