Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

The written assessment was effective in assessing knowledge; however, students felt it was excessively long.

Recommendation

Review the written assessment to ensure its length and scope are appropriate while still effectively assessing student knowledge and learning outcomes.

Feedback from Student feedback

Feedback

Students appreciated the flipped classroom model with worksheets and interactive tutorials as they strongly supported student engagement and understanding of complex topics

Recommendation

Continue the use of the flipped classroom model and interactive tutorials to encourage student engagement and success.
