Term 1 - 2025

Profile information current as at 24/11/2024 01:19 pm

General Information

Overview

This capstone unit will provide you with an opportunity to examine and critique current health practices issues prior to your entry into the Medical Laboratory Science professional workforce. Your study will focus on the contemporary legislative, social and economic trends in the Australian Pathology profession that will impact on your practice. You will be required to exhibit ethical decision-making and clinical/professional reasoning at a graduate level, in preparation for practice.

Previous Student Feedback

Feedback, Recommendations and Responses
Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE and Self-reflection

Feedback
Well structured and developed unit resources, activities and assessments

Recommendation
Continue to maintain current structure of unit resources, activities and assessments based on the 100% SUTE/evaluation data (overall satisfaction and within each category of assessment) over the past 2 years

Feedback from Self-reflection

Feedback
Emphasis on Academic Integrity early in the unit

Recommendation
Ensure to emphasize to students (both in classes and on Moodle) the importance of Academic Integrity and organise to run a workshop by the ALC on academic integrity in one of the early tutorials
