General Information

Overview

This unit is designed to introduce you to the facilitating role of entrepreneurship and innovation in successful business transitions and improvement processes. You will build an understanding of the flow-on effects of these practices on business strategy, structures, employees, organisational design, and business operations. Business plays a significant role in society that is dependent on the acquisition and application of management skills that ensure the business is fit for the future. In this unit, you will reflect on your role in this process as an agent of positive change.
