The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit introduces you to a range of cross-disciplinary approaches to visual communication relevant to visual artists. These include visual communication theory, design and semiotics (the study of signs). Using a combination of theoretical approaches to visual communication, you will develop creative tools to support your practical endeavours as a visual artist and use analytical tools to better observe the functioning of mass media imagery and contemporary visual art practices.
