Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from In person

Feedback

The students felt that more diversity in regard to the patients and practitioners in the video resources would be helpful.

Recommendation

It is recommended that additional videos be generated to create a more diverse and inclusive video resource library.

Feedback from SUTE

Feedback

The students enjoyed the safe, yet challenging environment to deepen their knowledge and skill base.

Recommendation

It is recommended that the teaching staff continue to create a safe, fun and challenging environment for all students.
