Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

Some students reported that some content felt disjointed which impacted their learning experience

Recommendation

It is recommended that the new Unit Coordinator review the content to ensure a smooth learning experience.

Feedback from SUTE

Feedback

Some students felt having more real life cases and relevancy to chiropractic would have improved their learning experience.

Recommendation

It is recommended the new Unit Coordinator introduce clinical chiropractic focused cases during the review and update of content for next year.
