CHIR20011 *Clinical Practice 5*

Term 2 - 2027

Profile information current as at 09/09/2026 07:11 pm

All details in this unit profile for CHIR20011 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

Clinical Practice 5 provides you with your fifth block of practical experience within a chiropractic clinic. Under decreasing guidance from your clinic supervisors, you will work as a functional team member and use the theoretical knowledge and practical skills developed in the previous four clinical units. Therefore, you will be expected to demonstrate this increased knowledge and skill by delivering patient assessment and treatment. You will begin to actively lead clinical decision making and management planning discussions. During this unit you will be able to undertake many clinical tasks independently. This intern experience is a valuable bridge between university and professional practice.

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

Some students would have liked more clinical genAI case prompts to be provided for practice.

Recommendation

It is recommended that the unit coordinator consider generating a library of genAI clinical case prompts.

Feedback from SUTE

Feedback

Some students would have liked more information about the external placements earlier in the term.

Recommendation

It is recommended that the unit coordinator ensure information about the external placements is available from the start of term.
