General Information

Overview

This unit will introduce key concepts in small business management as well as techniques for being successful in a clinical business environment. It will further enhance your ability to communicate in a professional manner. Areas of specialisation will be introduced allowing you to investigate the different types of chiropractic practices that exist. You will have the opportunity to participate in active and applied learning through a variety of mixed learning modes. This unit is aimed at producing work ready graduates that understand the role of business in clinical practice while providing you with a competitive edge for securing employment in Australia.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE comments

Feedback

Some students would like more information about budgeting, break even calculators, and profit or loss calculations would be useful.

Recommendation

It is recommended that the unit coordinator continue to incorporate tutorials on budgeting, break even points, and profit and loss calculations, while encouraging students to attend.

Feedback from SUTE Comments

Feedback

Students felt the tutorials were well done and provided support with assignment.

Recommendation

It is recommended the unit coordinator continue to provide engaging tutorials and relevant support with assessments to help prepare students for work after graduation.
