Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student and Unit Teaching Evaluations

Feedback

Some of the lab tutorials or PDFs are outdated as cloud computing environments are continuously evolving.

Recommendation

The instructions and video tutorials will be checked and updated at the start of every term to improve learning materials.

Feedback from External Review

Feedback

The requirements for assignment two and assignment three can be improved.

Recommendation

The external review feedback will be implemented by introducing a presentation in assignment two or three. Furthermore, assignments two and three requirements will be reviewed and improved.
