COIT13239 *Undergraduate ICT Internship*
Term 1 - 2026

Profile information current as at 23/01/2025 01:17 pm

General Information

Overview
Undertaking an internship or work-integrated learning (WIL) provides you with experiences to advance your work readiness and opportunities to demonstrate your skills in your chosen discipline while working in an authentic environment. During the internship, you will put into practice the knowledge and skills you have gained while studying your discipline units. YYou will reflect on developing your practical skills and your learning experiences in the context of WIL, while also putting into practice your teamwork and communication. You will spend ten weeks with your internship host during your last term and the remaining three weeks on campus.

Attendance Requirements
All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website
This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.

Previous Student Feedback

Feedback, Recommendations and Responses
Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit Coordinator Self Reflection

Feedback
A navigation map would help students to find resources easily.

Recommendation
Added a navigation map as a guide for students to the ICT Internship Resources and the Internship Teams site.

Feedback from Unit Coordinator Reflection

Feedback
A professional video demonstrating how to work on ePortfolium would be helpful for the students to properly complete assessment 3.

Recommendation
An educational developer from the Learning Design and Innovation Directorate needs to be involved/requested to prepare the video presentation.
