General Information

Overview

Social change is defined by the significant alteration of social structure and cultural patterns. This unit will examine the political influence and communication techniques used to affect meaningful social change, including the rise of social media. You will identify and explain key elements of the democratic process in Australia including relationships between the three levels of government. You will also develop communication strategies that align with your vocational discipline, seek to mitigate relevant barriers to communication, and incorporate socially innovative communication techniques applicable to contemporary and future social change events.
