General Information

Overview

In Introduction to Public Relations, you will demystify public relations practice and investigate the strong future of the PR industry by exploring the wide range of careers available to you. As the core unit for students studying a PR major, you will engage with the fundamental concepts and key theories which underpin the discipline. You will consider ethical public relations practice through the investigation of real case studies. You will also apply your knowledge by creating and pitching your own authentic public relations campaign.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student Evaluation Survey

Feedback

Students found teaching staff to be approachable and willing to help

Recommendation

Teaching staff will continue to focus on providing students with an excellent level of support.

Feedback from Student Evaluation Survey

Feedback

One student considered the final assessment, while practical and scaffolded, unnecessarily large and detailed

Recommendation

Review the final assessment item with a view to reducing the overall scope and requirements.
