General Information

Overview

This unit will introduce you to the dynamic world of creative media while supporting your transition to university study. Designed primarily for students in creative media disciplines, this unit provides a broad overview of the creative industries, core disciplinary tools and processes, and essential study skills for academic success. Throughout this unit, you will explore the fundamental components of creative media, gain hands-on experience with software and hardware tools, and examine diverse career pathways within the industry. You will also develop foundation academic and digital literacy skills relevant to university-level study in the creative media field. In addition to building practical capabilities, this unit will encourage you to reflect on your personal interests and career goals, and to begin shaping your professional identity through portfolio development and engagement with industry standards and expectations. This unit also integrates First Nations knowledge and perspectives, prompting you to consider your responsibilities as an emerging media professional in a diverse and interconnected world.
