General Information

Overview

This unit builds on the foundation provided by the prerequisite unit to further develop your skills and knowledge in game design and development. You will learn about key elements of the game industry, platforms, tools and genres. Through a combination of theory and practice, you will work in small teams to collaboratively develop a game prototype, conduct an effective playtest, evaluate feedback, and revise a game's design. You will also learn how to communicate game designs to others using appropriate documentation.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE Unit Comments Report 2023

Feedback

The Assignment 1 rubric needs to be revised to ensure it accurately reflects the expectation for the delivery of a game pitch and advanced game prototype in the week 5 'Crunch Week' session.

Recommendation

The rubric for Assignment 1 will be reviewed and amended as required.
