General Information

Overview

Digital media industries are characterised by innovation, entrepreneurship and disruptive new business models. This unit will equip you with the entrepreneurial skills and knowledge required to start your own business in the digital media industry. You will be guided through the processes of planning, starting and running a new technology-based enterprise. You will learn how to analyse the business models of existing organisations, how to recognise business model patterns, and how to design innovative business models for ventures within your field of interest.
