DSMG28001 *Foundations of Emergency and Disaster Management*

Term 1 - 2025

Profile information current as at 05/09/2024 02:12 pm

All details in this unit profile for DSMG28001 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This is a foundational unit that introduces the fundamental concepts and frameworks that underpin the effective management of emergencies and disasters. You will gain a basic understanding of the nature of hazards and disasters and will introduce the key stakeholders involved with emergency and disaster management, explore the historic and contemporary principles, policies, and legal frameworks guiding the field of practice. The unit will explore local and global concepts of emergency and disaster management and the models, systems and processes required to effectively mitigate, prepare, respond and recover from various disasters.

Details

Career Level: *Postgraduate*

Unit Level: *Level 8*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

Students enrolled in the CM40 Bachelor of Paramedic Science/Graduate Certificate in Emergency and Disaster Management must have completed a minimum of 48 credit points.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2025

- Melbourne
- Online
- Sydney

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.

This information will be available on Monday 13 January 2025

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Discussions with students, discipline area staff.

Feedback

To support students in other emergency and disaster management units, introduce the CQU seven-step search strategy into DSMG28001 to assist with academic literacy and assessment writing.

Recommendation

The assessment instructions will include the CQU seven-step search strategy to assist student learning.

Feedback from Feedback from students, discussions with discipline area staff

Feedback

The unit's contextual examples focus on types of issues which do not always give a complete view of the Australian disaster management administrative situation, especially arrangements and policies made by the states and territories.

Recommendation

Beginning in T3 2023, the unit material will be adjusted to include a more in-depth discussion of the disaster management policy and arrangements at the state and territory level.
