EDCU20038 Teaching Science

Term 1 - 2026

Profile information current as at 23/01/2025 01:07 pm

All details in this unit profile for EDCU20038 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

In this unit you will develop an understanding of both the content and pedagogy required to teach science in early childhood education and care settings and in primary school classrooms. You are introduced to concepts on how children learn science, the importance of science education in an Australian and international context and current views regarding effective pedagogical practice. You will examine research that has informed the selection of pedagogy with children in early childhood education and care settings and in primary school classrooms. Practical application of skills related to the Australian Curriculum: Science will focus on learning and teaching across the four Understanding Strands of Biological Sciences, Earth and Space Sciences, Chemical Sciences and Physical Sciences. There is an emphasis on science inquiry skills, in particular, identifying and posing questions; planning, conducting and reflecting on investigations; processing, analysing and interpreting evidence; and communicating findings. The unit includes an emphasis on effective student engagement within science education through the appropriate selection, application and assessment of science content knowledge.

Details

Career Level: *Postgraduate*

Unit Level: *Level 9*

Credit Points: 6

Student Contribution Band: 7

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2026

- Online

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.

This information will be available on Monday 12 January 2026
