Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE data

Feedback

Issues with the OPUS/SONIA system caused delays in job applications and placement processes.

Recommendation

There were some issues as the transition happen from the OPUS system to SONIA platform. The issues should be addressed in the next offering.

Feedback from SUTE data

Feedback

Students perceived the feedback on assessment as subjective and lacking constructive criticism.

Recommendation

Students received feedback based on the marking rubric. The marker should provide more specific comments on what was done well and what needs improvement.

Feedback from SUTE data

Feedback

Delays in releasing placement processes made it difficult to balance other units and applications.

Recommendation

Students should receive the placement details within the first quarter of the term.
