ENEP11010 *Industry Practice Review*

Term 2 - 2027

Profile information current as at 19/09/2026 12:53 am

All details in this unit profile for ENEP11010 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

As an engineering student with Industry Practice work placement experience, you will communicate your industry experience through a professional presentation, and evaluate your intellectual, professional and personal development achieved during your industry employment. You will identify, discuss and analyse workplace issues with a view to understanding and improving your industry placement capability. You will also document and contrast approaches to risk management and safety management systems applied in engineering workplaces.

Details

Career Level: *Undergraduate*

Unit Level: *Level 1*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

_ Prerequisite: ENEP11006 Industry Practice _

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 2 - 2027

- Bundaberg
- Cairns
- Gladstone
- Mackay
- Online
- Rockhampton

Attendance Requirements

All on-campus students are expected to attend scheduled classes - in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important](#)

that you visit your Moodle site throughout the term. Please visit Moodle for more information.

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.
This information will be available on Monday 17 May 2027

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

The unit requirements and delivery are good for student learning; however, there are some improvements to be made.

Recommendation

The same focus on unit requirements should be continued and improved.

Feedback from SUTE

Feedback

The unit materials, content, and assignment distributions can be reviewed.

Recommendation

The unit materials and their distributions should be reviewed thoroughly to improve learning materials and enhance students' learning skills.

Feedback from Self

Feedback

The evaluation of assessment should focus on student learning and skills

Recommendation

The reflective practices can be introduced in each assessment items to enhance student learning and skills
