## General Information

### Overview

As a student enrolled in Bachelor of Engineering (Honours) and Diploma of Professional Practice (Co-op Engineering), you will apply skills and knowledge developed in the academic course to engineering practice in an industry-based, Work Integrated Learning (WIL) context. You will identify and plan work placement objectives, document technical work practices and processes to Engineers Australia Stage 2 Competency Standards, and prepare a portfolio detailing your personal and professional growth in an industry-based engineering position. Note that students are required to undertake a minimum of 24 weeks of paid or unpaid work placement that may require relocation of accommodation to suit their employment.
