ENEV12002 *First Nations Community Engagement* Term 3 - 2026

Profile information current as at 23/01/2025 08:49 am

All details in this unit profile for ENEV12002 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

In this unit you will critique approaches to community engagement with First Nations community members, communities and agencies within your disciplinary context. You will study culturally appropriate principles and strategies for community engagement, participatory planning and stakeholder relationships. Drawing on transdisciplinary perspectives from First Nations studies, community development, history, planning, natural resource planning, public health and sociology, you will learn to evaluate the requirements of First Nations community engagement. You will develop a professional approach to First Nations community engagement in your disciplinary context.

Details

Career Level: *Undergraduate*

Unit Level: *Level 2*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 3 - 2026

- Online

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Head of Course Consultation (Public Health and Paramedicine)

Feedback

Paramedicine cohort commencing in 2025 will require different unit focus including on direct patient care as well as community engagement.

Recommendation

Unit refresh to be further modularised for different disciplines.

Feedback from Student feedback

Feedback

Students appreciated guest lecturers and real world case studies.

Recommendation

Unit refresh to add more guest lectures and real world case studies.

Feedback from Student feedback

Feedback

Students valued the level of communication and clear guidelines provided by the unit coordinator.

Recommendation

Continue to provide drop in tutorials and clear guidelines on assessments and requirements and communication on the Moodle and through emails.

Feedback from Head of Course (Science, Environment and Agriculture) Consultation Head of College Consultation

Feedback

There will be increased student numbers from diverse disciplines including Science, Environmental Science, Agricultural Science and Allied Health..

Recommendation

Consultation with discipline teams to ensure unit is meeting these students' needs. Unit refresh to be further modularised for different disciplines.
