ESSC13009 Professional Practice in Exercise and Sports Science

Term 2 - 2025

Profile information current as at 26/03/2025 04:54 am

All details in this unit profile for ESSC13009 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

In this unit, you will enhance your professional development in exercise and sport science by becoming a reflective practitioner. Additionally, you will gain authentic practical exercise delivery via work integrated learning, as well as practically focused assessments, which will allow you to gain the skills that are required of a graduating exercise and sport science professional. This will involve working with a variety of populations under the supervision of appropriate health or exercise and sport science practitioners, during which time you will further develop your skills in the development and delivery of exercise and sports science related activities.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student feedback

Feedback

Students have commented that not all practical assessments align with content taught in previous units.

Recommendation

It is recommended to review the current practical assessments to ensure alignment with previous units and content that students have learnt.

Feedback from Student feedback

Feedback

Students discussed challenges of situations that can arise during work integrated learning such as receiving and taking on feedback.

Recommendation

It is recommended to include more information regarding feedback and include case studies within the mandatory session that students undertake prior to work integrated learning.
