The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

In this unit you will explore your own lifestyle behaviours as well as those of others. You will consider how lifestyle behaviours and culture impact on health outcomes and consider how lifestyle behaviours are developed and reinforced. You will explore the knowledge, attitudes and values that influence lifestyle behaviours of individuals, communities and populations and interventions that could delay the onset of potential health problems across the lifespan. As part of this exploration, you will learn to undertake basic health indicator measurements and consider how these relate to lifestyles.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit coordinator reflection

Feedback

Increase unit coordinator contact with students not engaging with the unit over the term

Recommendation

Weekly, directed emails should be sent to students not engaging with the unit to offer support in completing the unit and assessment tasks.

Feedback from Unit coordinator reflection

Feedback

Release a few weeks of content on the Moodle site rather than the full term's workload

Recommendation

Release five weeks of content at a time in Term 1, 2024, rather than the full term's workload.
