General Information

Overview

Change is inevitable. As current or future employees, managers, and/or business leaders, you should not only understand the importance of change but also develop your competencies to successfully manage and lead organisational change. This unit explores the dynamics of change within a business environment characterised by volatility, uncertainty, complexity, and ambiguity. Through understanding key change theories and perspectives on leading and managing organisational change, you will develop the knowledge and skills required to respond to the pressures of a turbulent business environment and remain competitive.
