## General Information

### Overview

Family Law will equip you with the knowledge and skills to practice family law. You will develop the ability to identify legal issues and structure legal arguments to resolve the issue. Family Law will provide you with an understanding of the legislation and case law relating to the dissolution of the marriage relationship and de facto relationships, financial arrangements including the division of property, spousal maintenance and child support, the role of dispute resolution in family law and negotiating child focused arrangements pertaining to children. The assessment in Family Law will require you to participate in advocacy-based tasks, which may include live oral assessment in the form of a viva voce, peer work conducting a mock hearing, and drafting written advice and submissions.
