Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Students

Feedback

Students reported that the videos are valuable for IMU. Students found them really helpful for truly understanding mathematics.

Recommendation

Continue to renew videos.

Feedback from Students

Feedback

Zoom lectures complement the textbook examples and learning structure.

Recommendation

Continue to deliver Zoom lectures and Zoom support sessions.

Feedback from Students

Feedback

The textbook content is broken up into less dense modules which makes it easy to complete.

Recommendation

Maintain the current structure of the modules in any further editing of the text.
