# MEDI13005 *Medical Imaging Clinical Placement 3* Term 2 - 2026

Profile information current as at 23/01/2025 01:17 pm

All details in this unit profile for MEDI13005 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

## General Information

### Overview

During this clinical unit you will apply and expand on knowledge and skills previously learned both on campus and during your previous placements. You will further develop your clinical skills in general radiography to include adaptation to a range of patient types and imaging environments. You will develop clinical skills in computed tomography and theatre fluoroscopy. You will further develop your decision-making skills and use your knowledge of image evaluation to assess images from a wide range of procedures for technical sufficiency. You will use reflective practice to assist in your development as an imaging professional. At all times you will work within the profession's Code of Conduct and your scope of practice.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

### Offerings For Term 2 - 2026

- Mixed Mode

### Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

### Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from Unit Coordinator reflection

##### **Feedback**

Many students struggled to organise their own specific assessment schedule over their placement block/s.

##### **Recommendation**

Invest in providing a plan to assist students to organise their own specific assessment schedule.

#### Feedback from Unit Coordinator and academic marker reflection.

##### **Feedback**

Despite the introduction of the new assessment rule related to 'three strikes', there were a number of students who continued to submit late and/or submit incorrect or incomplete assessments.

##### **Recommendation**

Enhance communication through the Moodle site, Moodle forum posting and emails to minimise late submissions, incorrect submissions and incomplete submissions.
