## General Information

### Overview

This unit is designed to introduce you to the dynamic interplay of factors that influence the direction and success of contemporary business. You will explore the emerging shift from a linear economy to a circular economy and the facilitating role of entrepreneurship and innovation in successful business transitions. This includes the flow-on effects these have on business strategy, structures, employees, organisational design, and business operations. Business plays a significant role in society and the management skills required for business to be fit for the future rests with each of us. You have a role in this as an agent of positive change.

## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from SUTE

**Feedback**

Required weekly reading for the unit encompassed papers from a range of academic journals

**Recommendation**

Reliance on journal papers has been reduced with the specification of a low cost textbook.

#### Feedback from SUTE

**Feedback**

The lecture slides helped to understand the contemporary business issues that were covered each week.

**Recommendation**

Weekly lecture slides encompass key conceptual frameworks that explain how businesses function. These integrate with workshop discussions so that issues emerging in business media can be examined with deeper insights.

#### Feedback from SUTE

**Feedback**

The break up of assessments over the term were well timed and allowed for progress through the unit

**Recommendation**

The design and scheduling of assessments links to the content being covered each week. Real-world cases are used to develop critical analysis of business activity using relevant conceptual frameworks.

#### Feedback from SUTE

**Feedback**

Workshop sessions were really valuable for learning how to apply the information in the weekly readings

**Recommendation**

Workshop discussions of topical business issues provide the foundational skills to achieve mastery of assessment tasks.

#### Feedback from SUTE

**Feedback**

The lectures and workshops were easy to listen to and take on board the information. Content both verbal and text is easy to navigate and understand. Delivered in a very orderly manner and well received.

**Recommendation**

Student feedback also highlighted that it would be good if more students attended the live tutorials to have more diverse discussions.

#### Feedback from SUTE

**Feedback**

Clarity of assessment criteria could be improved

**Recommendation**

Discussion of the criteria, detailed in the Unit Profile and Assessment Tile, will be supported with short vignettes in addition to comprehensive assignment briefing sessions.
