General Information

Overview

Strategy and Change is a capstone unit in the Bachelor of Business. Organisational strategy and change is increasingly becoming important in a highly competitive business environment. In this capstone unit, you will explore the process used in strategy formulation and implementation and consider how decisions are made to effectively implement change. You will assess how internal and external pressures influence decision making and the subsequent formulation and implementation of strategy and change in a range of different types of organisations. The unit examines how organisations align resources in setting strategy and mechanisms deployed to review performance. You will also gain insights on the importance of risk management in strategy implementation and change process.
