General Information

Overview

Think Big is a unit about generating, developing, and evaluating ideas for the introduction of innovative and viable new ventures. Think Big entails a process of discovery designed to develop creation of dynamic and impactful enterprises. You will learn about innovative business concepts and the design of performance-differentiating business models. The unit will assist you to generate new marketable ideas and develop skills in innovative thinking, and market assessment in digital, commercial, service and social contexts. This unit will also introduce you to the concept of ideation and horizon thinking, and explore how creative and innovative ideas are generated through teamwork and by brainstorming or workshopping ideas. You will be able to apply the principles of lean entrepreneurship and appreciate what is involved when starting a business or a social enterprise, as well as how to pitch business ideas to potential investors as part of an entrepreneurial team. The unit has a strong practice and market disruption focus.
