General Information

Overview

In this unit, you will study the fundamental theoretical and practical aspects of effective studio teaching in music for the beginner student. You will gain knowledge and skills in a number of internationally recognised music teaching philosophies and methods including those developed by Suzuki, Orff and Kodaly. You will also gain an understanding of core principles underpinning the studio teaching business industry. This includes developing a studio teaching business plan and associated risk analysis, as well as exploring current technologies that relate to marketing and promoting a music studio teaching business.
