General Information

Overview

This unit prepares you to undertake a leadership role in healthcare contexts. In this unit, you will have the opportunity to analyse theories and models of leadership and reflect upon your leadership strengths and weaknesses. You will apply leadership theories and your selected leadership model/s to leadership roles in the healthcare setting. This unit enables you to focus on emotional intelligence and critique the concept of relational power to autonomous practice. Through the use of coaching and mentoring strategies learned in this unit, you will develop the capacity to lead, empower and inspire members of the healthcare team.
