General Information

Overview

This unit provides you with advanced knowledge of normal homeostatic mechanisms and the pathophysiological basis of common health disorders seen in medical/surgical nursing. You will explore the impact of the common safety concerns of persons receiving nursing care in medical/surgical settings. You will apply the Registered nurse standards of practice to the person-centred nursing care of those receiving medical and surgical nursing care. You will have the opportunity to review, critique and refine the planned care of those receiving medical and/or surgical nursing care.
