General Information

Overview

Within this unit, you will review and explain the key concepts of traumatic conditions, enabling you to formulate and implement the safe management of individuals and populations with traumatic conditions in the paramedicine context. You will apply advanced knowledge of emergency medicine in a mass casualty or major incident event, and critically reflect on your paramedic practice concerning traumatic conditions, major incidents, and professional standards to ensure continual improvement.

Details

Pre-requisites or Co-requisites

Pre-requisite: PMSC13001 Mental Health for Paramedics. Co-requisite: PMSC12003 Special Populations in Paramedic Practice. Please note: Any student who has not successfully completed a PMSC residential school within the preceding 12 months or undertaken a clinical placement unit, should consult with the Head of Course to discuss completing a PMSC12001 refresher. This ensures currency with all contemporary skills and procedures in line with industry standards and professional capabilities

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 2 - 2027
