General Information

Overview

This unit introduces you to fundamental aspects of podiatry practice. In preparation for future clinical practice units, you will learn about the standards, policies, codes, and guidelines which inform practice as a podiatrist in Australia, including those related to culturally responsive and safe practice. You will also set up your clinical workspace, comply with infection control principles, and occupational health and safety standards. You will learn to take a patient medical history, conduct general assessments of the foot and lower limb, and apply basic podiatric interventions in a simulated clinical setting.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Informal student feedback

Feedback

Weekly lecture and tutorial content should be uploaded in a more timely manner to assist students preparing for the teaching time.

Recommendation

It is recommended the UC will ensure content is uploaded at least one week prior to the lecture/tutorial time in subsequent years of delivery.

Feedback from Informal student feedback

Feedback

Content delivered in the early weeks of term could be more engaging.

Recommendation

It is recommended that the methods and timing of delivering content related to policies, codes, and guidelines be reviewed such that this content does not occupy the full first two-weeks of content.
