Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Staff feedback

Feedback

Assessment requirements and the scaffolding against relevant learning outcomes should be clearly articulated.

Recommendation

It is recommended that the unit coordinator clearly articulates assessment requirements and understand how individual assessment items scaffold upon one another throughout the term.

Feedback from Staff feedback

Feedback

Consideration should be made to maximise exposure to practical elements of this units content

Recommendation

It is recommended that opportunities for practical exposure and application of skills consistent with the units be considered in the unit design.
