General Information

Overview

In this unit, you will implement podiatric surgical techniques required to perform safe and competent nail surgery. Specific emphasis is placed on surgical principles, expanding and reinforcing your understanding and practice of infection control and clinical and theatre protocols. You will gain knowledge and skills in surgical management and learn the theory behind a range of surgical procedures relevant to podiatric practice. The scope of podiatric surgery practice is explored with consideration of the ethical and medico-legal implications.
