PPMP20008 *Initiating and Planning Projects*

Term 3 - 2024

Profile information current as at 29/07/2024 03:31 pm

All details in this unit profile for PPMP20008 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

The Initiating and Planning Project unit will equip you with the knowledge and skills required to effectively initiate and plan projects in challenging environments. You will study different standards, frameworks and practices with the opportunity to apply these by utilising relevant tools and techniques to enhance project initiation and planning. On successful completion, you will have prepared a range of project management artifacts that underpin effective initiation and planning of projects.

Details

Career Level: *Postgraduate*

Unit Level: *Level 8*

Credit Points: 6

Student Contribution Band: 10

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 3 - 2024

- Brisbane
- Melbourne
- Online
- Sydney

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.

This information will be available on Monday 9 September 2024

- Information and Communications Technology Acceptable Use Policy and Procedure

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE data, self reflection

Feedback

Assessment 2 primarily employs Australian case studies, posing potential challenges for international students in grasping the context and meeting assessment requirements.

Recommendation

Introduce supplementary case studies during lecture and tutorial sessions to familiarize students with case study discussions. Seamlessly incorporate explanations of assessment requirements into relevant lecture discussions. Improve accessibility to a platform where students can address concerns regarding assessments.

Feedback from teaching team, self-reflection

Feedback

Update teaching materials to include the latest trends in project management, such as agile methodology and sustainability.

Recommendation

Integrate emerging concepts and pertinent case studies into both teaching and assessment materials.
