General Information

Overview

In this unit you will have the opportunity to work with adults and/or children with a wide range of communication and/or swallowing goals and needs, through the completion of work integrated learning. Your work integrated learning will provide you with experiences that will enable you to develop novice-intermediate level clinical competencies. You will engage in reciprocal learning with peers from speech pathology and other disciplines and advocate for the role of the speech pathology profession in meeting the needs of individuals and communities. You will apply the International Classification of Functioning, Disability and Health (ICF) framework and principles of evidence-based practice, critical reflection, and interprofessional practice throughout this unit. Prior to the commencement of the unit, you must complete all pre-clinical requirements and maintain these requirements throughout the unit.
