SPCH13011 Stuttering and related conditions

Term 2 - 2024

Profile information current as at 19/05/2024 07:35 am

All details in this unit profile for SPCH13011 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

In this unit you will advance your knowledge in the aetiology, diagnosis, prognosis, and management of stuttering and related conditions for children and adults. You will explore evidence-based practice in the diagnosis and management of stuttering. The International Classification of Functioning, Disability, and Health framework and current research evidence will provide context and structure to assist you in administering management plans.

Details

Career Level: *Undergraduate*

Unit Level: *Level 3*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

Pre-requisites: ALLH12006 Evidence Based Practice for Allied Health SPCH12002 Language and Literacy in Early Childhood SPCH12004 Speech and Hearing Co-requisites: SPCH13004 Language, Literacy and Hearing in School Aged Children

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 2 - 2024

- Rockhampton

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Recommended Student Time Commitment

Each 6-credit Undergraduate unit at CQUniversity requires an overall time commitment of an average of 12.5 hours of study per week, making a total of 150 hours for the unit.

Class Timetable

Adelaide, Brisbane, Melbourne, Perth, Sydney

Assessment Overview

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

CQUniversity Policies

All University policies are available on the [CQUniversity Policy site](#).

You may wish to view these policies:

- Grades and Results Policy
- Assessment Policy and Procedure (Higher Education Coursework)
- Review of Grade Procedure
- Student Academic Integrity Policy and Procedure
- Monitoring Academic Progress (MAP) Policy and Procedure - Domestic Students
- Monitoring Academic Progress (MAP) Policy and Procedure - International Students
- Student Refund and Credit Balance Policy and Procedure
- Student Feedback - Compliments and Complaints Policy and Procedure
- Information and Communications Technology Acceptable Use Policy and Procedure

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

Students reported that they would like better explanation of the expectations of the assessments.

Recommendation

It is recommended that the unit coordinator revise the assessment instructions to ensure that they are clear for all students.

Feedback from SUTE

Feedback

Students reported that they found it very interesting to learn about stuttering and the different treatment programs.

Recommendation

It is recommended that the unit coordinator continue to provide students with evidence based treatments for stuttering and related conditions.

Unit Learning Outcomes

On successful completion of this unit, you will be able to:

1. Discuss the different theories, behaviours, and characteristics of stuttering and related conditions in children and adults
2. Apply the International Classification of Functioning, Disability, and Health framework in the management of stuttering in children and adults
3. Demonstrate and justify current evidence-based practice in the evaluation, interpretation, and management of stuttering in children and adults.
